

Zambia solar Power Station with Energy Storage Company

Overview

Turkey's YEO is partnering with Zambian sustainable energy company GEI Power to develop a 60 MW/20 MWh solar plant with battery storage in Choma district, southern Zambia. Zambia has just launched an Expression of Interest (EOI) program led by The Zambia National Energy Corporation Limited (ZNEC). This \$65 million endeavour is expected to help alleviate power shortages in the country. GEI and YEO have established a dedicated entity, Cooma. Energy Minister launches NRDC 20MW solar project Government has launched the construction of a 20-megawatt solar power plant and two grid-connected solar facilities at the Natural Resources Development College (NRDC) in Lusaka. The Project, which is being developed by ZESCO Limited, through its J- Deep in Southern Zambia, the town of Choma is now home to a groundbreaking clean energy project.
